KANSAS CITY, Mo. — Frontier Wealth Management is pleased to announce the addition of two new staff members to its Kansas City office: Shannon Yarbrough and Blake Greenfield.

Shannon Yarbrough joins the firm as a Client Service Specialist, a role in which she will support multiple wealth advisors. Yarbrough has nearly 20 years' experience in the financial services industry. She obtained her Series 65 license while serving as the Director of Operations for a local RIA. Yarbrough graduated from Missouri State University (formerly Southwest Missouri State University) with a Bachelor's degree in accounting.

"We're excited about Shannon's extensive experience within the industry and believe her passion for delivering a great client experience will continue to enhance Frontier," said Jennifer Hummel, Director of Client Service.

Blake Greenfield joins the firm as the Advisor Support Specialist. He will assist the Advisor Services team by providing back-office support to the advisors. "Blake's experience in the RIA space will enable him to quickly succeed in his new role at Frontier, and his work will help improve the support we deliver to our advisors," said Aaron Anson, Director of Operations.

Prior to joining Frontier, Blake worked as a Portfolio Analyst for Charles Schwab. In his most recent role there, he served as a relationship manager for several firms that utilized Schwab's turnkey outsource solution. Blake graduated from Baker University with a Bachelor's degree in economics.

"We are thrilled to have Blake and Shannon join Frontier," said Frontier CEO, Nick Blasi. "With Blake's unique skills and specialized training, and Shannon's industry experience spanning across several financial service models, our client service initiatives will only be further enhanced for 2014 and beyond."
